

We wanted to first to remind everyone that there won't be an August planning meeting; we will meet again in Sept. Tuesday the 16th.

Second we have scheduled **2 Open Houses** for the following days in October:

- **Saturday, Oct 25th** from 11:00am - 2:00pm
- **Tuesday, Oct 28th** from 7:00pm - 9:00pm

"The County has begun a community planning process for the North End. Please come to the open house to learn about the areas and topics under consideration. This is also an opportunity to share your ideas and learn how to become involved in long-range planning for your community."

It will be held at the **Greater Hansville Community Center** for several reasons, largest facility, most parking and this facility will accommodate people coming and going with the least interruptions to neighbors and staying within fire codes for people and parking.

The County is also providing a list of FAQ's that will be posted on the County website.

You can access by clicking on the county link. This will be available by August 1.

If you should have any questions please e-mail the Planning e-mail box.

Enjoy the rest of your summer and see you in Sept.
