

Denny reported that the Log went online with the June 2020 edition. Christy reported that she has put "The LOG Has Gone Digital" notices on social media sites including Nextdoor Hansville and 4 local Facebook pages. She will send out a Constant Contact email. Postcard notifications will be sent to all those who previously received the Log by mail.

It was decided that we should order a notification sign for the Eglon - Hansville Road corner signpost.

Rummage Sale Online Pilot Project

Trudy reported that she, Denny, Chuck and Don have selected about 30 items to offer to sell to Rummage Sale volunteers using an online catalog with item photos, descriptions and prices. If this pilot program is a success, there may be more sales in the future. The items will be offered to Rummage Sale volunteers and their families. The sales will be done in a manner that will allow volunteers and buyers to maintain distancing. No date has been set for the sale but it will probably be some time in July.

Endowment Event

Celia and Judy reported that the September 12 Endowment Event at the Vigil/Remijian property on Hood Canal Drive is still being planned. Kitsap County should be in Phase 4 by that date if all goes well. A decision will be made at the end of July whether to go forward with the event. If we are unable to do it in 2020, we are hoping the homeowners and manager Paul Repetowski will be open to rescheduling it there for Fall of 2021.

Old Business

Building Entry Project

Don and Celia reported that Lenore Lynch suggested that they talk to Nathan Lamb, former assistant director of Heronswood Garden, about the entry project. Nathan was pleased to have an opportunity to give back to the community. He agreed to do a design for the entry area and the rest of the grounds as well for \$600.

2018 Annual Report

Celia presented the 2018 Annual Report. Pat Smith will put it on the Google Drive and Don Lynch will put it on the website.

There was a discussion about whether to hold the July 2020 board meeting virtually or in person. No decision was made.

Celia Grether adjourned the meeting at 6:09 pm.
